

Dear Parents/Guardians,

I hope you are enjoying the Easter break. In preparation for reopening on Monday, I wish to remind you of a few things.

Firstly, you must fill in a Return to Education form for each child prior to them returning to school.

All form links are available here: [50fbe5_96e94a31b20c4784b5949c090ac18d3a.pdf \(filesusr.com\)](https://filesusr.com/50fbe5_96e94a31b20c4784b5949c090ac18d3a.pdf)

Children should not return to school if they:

- Are identified by the HSE as a close contact of a confirmed case of COVID-19
- Live with someone who has COVID-19 symptoms
- Have travelled outside of Ireland; in such instances staff are advised to consult and follow latest Government advice in relation to foreign travel

If a child presents with COVID-19 symptoms in school they will be brought to the isolation area and you will be asked to collect them from school. If a child feels unwell in any way, we will ask you to collect him/her from school.

Parents will be asked to cooperate with any public health officials and the school for contact tracing purposes and follow any public health advice in the event of a case or an outbreak at school. In any such instance confidentiality of people involved must be protected.

We ask that you avoid congregating at or near the school. Please wear a mask if you must enter the school grounds and practise social distancing when dropping/collecting children.

Thank you for your cooperation so far in helping to keep our school a safe place.

Grace Burke
